

G D Goenka Public School Sector 48 Gurugram organized a Covid – 19 Vaccination Camp for its students between the age group of 15-17 years, under National Vaccination Programme and as per guidelines issued by Ministry of Health & Family Welfare. The camp saw our responsible goenkans taking the shot, ensuring their own safety and of those around them.

Understanding that vaccination is a shared responsibility, GDGPS Sector 48 stands in solidarity with the health care professionals and salutes their indefatigable spirit.
