

2024-25

SPOTLIGHT # GOENKAN 48

Dear Parents,

Warm greetings!

As I pause to reflect on the incredible journey of GD Goenka Public School, Sector 48, Gurugram, my heart swells with immense pride and gratitude. We had set forth on this transformative path in 2013, believing that true joy does not lie in mediocrity, but in the relentless pursuit of excellence. Our students have embraced this ethos wholeheartedly, striving ceaselessly to reach new heights. Today, as I witness our students flourishing—not just in academics endeavours, competitive arenas, cultural and sporting fields, but as compassionate, principled individuals—I am overwhelmed with a profound sense of fulfillment.

So, what has enabled us to achieve this? At the heart of our school's philosophy lies an unwavering belief that true educational excellence is built on three fundamental pillars: world-class infrastructure, a meticulously designed curriculum, and a team of dedicated educators, mentors, and coaches. When these elements come together, they create an intellectually stimulating, emotionally nurturing, and deeply engaging environment.

In such an invigorating atmosphere, our students distinguish themselves through their clarity of thought, fearless inquiry, and ability to approach challenges with insight and creativity. We take immense pride in seeing our alumni accepted by esteemed institutions of higher learning and placed at top organizations globally.

Our child-centric approach, enriched by specialised programmes, has shaped GD Goenka Sector 48 into a MODERN GURUKUL—a place where excellence is a way of life, gratitude is a cherished virtue, and every child emerges as a confident, valued individual, ready to take on the world with courage and conviction.

As we continue this remarkable journey together, let us hold steadfast to our shared vision—to nurture and guide our children towards a future where they lead with integrity, resilience, and an unwavering belief in themselves.

With deepest appreciation to you dear parents, for being the wind beneath our wings,

Anuradha Handa

Sandeep Maheshwari's

Transformative Session

Mr. Sandeep Maheshwari's visit was a meticulously crafted opportunity to create platforms where young minds could explore, question, and gain valuable insights into the complexities of the future. Addressing a captivated auditorium, the globally esteemed motivational speaker and life coach, with an extraordinary YouTube following of over 2.8 crores, shared his profound perspectives on how AI is revolutionizing the world. He emphasized that cultivating a flexible mindset, embracing open-mindedness, and honing critical thinking are essential for flourishing in this rapidly evolving era.

Fuelling Critical Thinking

Hosting and Engaging with National & International School Leaders

Upholding the belief that internationalisation in education is a cornerstone of preparing students to excel in an increasingly interconnected world, the school hosted distinguished educational leaders from some of Australia's most venerable schools with over a century of illustrious legacy. **The school was also selected by FICCI** as one of the top schools in Delhi NCR for National School Leaders to visit and observe the best practices in skills and competency and studying the curriculum that seamlessly integrates these aspects with a strong emphasis on values.

In the words of visiting school leaders' "Students' autonomy is evident everywhere. Student voices are heard. Students are leading programs, designing curriculum, making informed choices. This is great. The whole visit was a great learning journey."

Eco vibes

A Green family festival

'Eco-Vibes', a vibrant green festival at G D Goenka Sec 48 aimed at nurturing our young goenkans into responsible global citizens. In Collaboration with GoSharpner, a platform for global school - student fraternity, the event served as a platform to work on Sustainable Development goals.

This event designed to engage children and their families with the purpose of Raising Awareness about sustainability, climate change, and environmental preservation by providing simple ways to incorporate sustainable practices into everyday life.

SPORTS FIESTA 2024

As a testament of the triumph of sportsmanship, skills and camaraderie, the school hosted its Annual Sporting event - **SPORTS FIESTA** that drew participation of over 1600 enthusiastic students, from the schools of Gurugram and Delhi-NCR, vying their way to victory. The three action-packed days cemented the integration of physical fitness, mental agility, and a strong sense of fair play amongst the participants, covering sports like Tennis, Table Tennis, Taekwondo, Basketball, Football, Skating, Squash, Badminton and Artistic Yoga. Amidst loud cheers and adrenaline-pumped atmosphere, the athletes showcased the true spirit of sportsmanship.

WONDERFEST 2024

The school hosted a vibrant Inter-School Competition "**WONDERFEST** - Where Dreams Take Flight!". With over 325 enthusiastic students of Nursery to grade II from 30 prestigious schools across Delhi-NCR, the event turned into an inspiring celebration of creativity and imagination. Young participants showcased their remarkable talents through various activities, leaving the audience in awe. The event, marked by laughter, excitement, and a sense of wonder, aimed to nurture curiosity and creative potential among children.

ICLP

Believing that education goes beyond textbooks, Class 8 ICLP Presentations were a true embodiment of this vision. Based on the theme “NAVODIT BHARAT: The Emerging India”, students seamlessly integrated academics with music, dance, art, and theatre, showcasing their learning in a creative and thought-provoking manner.

Adding further value to the day, Founder Principal, Ms. Anuradha Handa, led an insightful session, preparing students and parents for the transition to senior school, providing guidance on CBSE norms, academic expectations, and student well-being, ensuring a smooth journey ahead.

The event culminated with HARMONY Presentations, a celebration of student growth and creativity that left parents filled with pride and emotion. Moments like these reaffirm our commitment to holistic education, where learning is an experience, not just a destination

The Osmosis 2024 presentations for Classes III-V provided an immersive glimpse into students' dynamic learning experiences. Our FUTURE READY students showcased hands-on work in drone technology, aerodynamics, and self-designed cars through STEMplify, along with projects in ROBOTICS and CODING in the MAKERSPACE. Parents also enjoyed performances in Indian and Western Music, Dance, and Theatre. The presentations highlighted the school's commitment to holistic education, blending academic excellence with creativity and innovation.

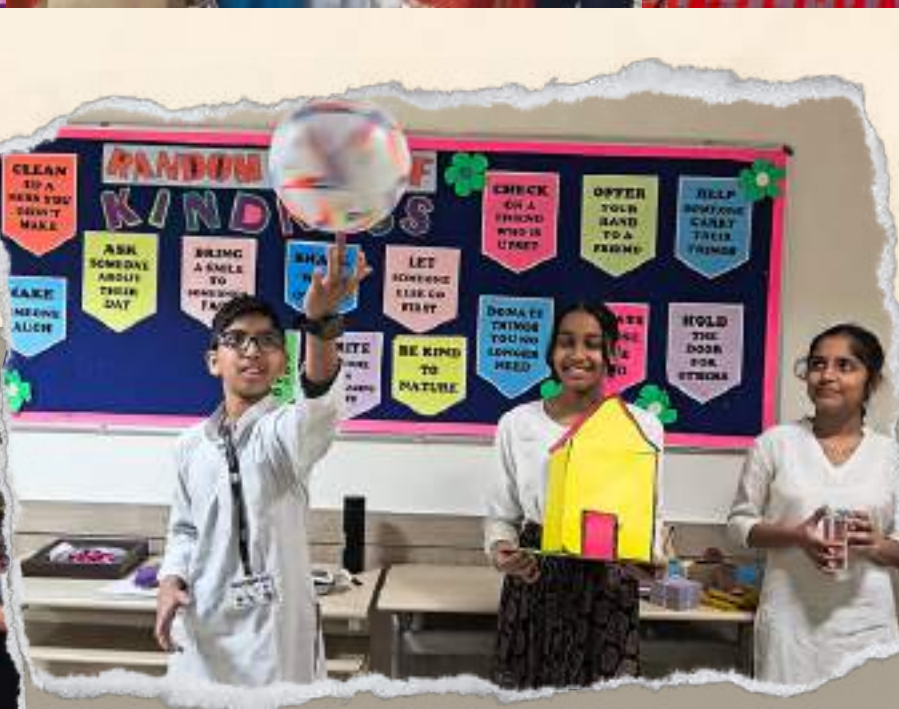

OSMOSIS

HARMONY

Where Learning Meets Expression

At GDGPS, learning transcends textbooks! The Harmony Presentations empower students of Classes III-VIII to showcase their academic journey through research-driven, subject-integrated presentations. This initiative nurtures collaboration, enhances communication and critical thinking skills, and builds confidence. By presenting their knowledge to parents, students embrace the art of articulation, transforming learning into a dynamic and enriching experience.

Iconic Annual Days

Junior Wing Annual Day 2024, themed "**JUMANJI - The Enchanted Pages**", celebrated the magic of books and the power of imagination. It showcased the incredible talents of our young Goenkans through mesmerizing performances that captivated the audience.

Under the visionary leadership of Founder Principal, Ms. Anuradha Handa, the event beautifully encapsulated the values of creativity, collaboration, and excellence. In her heartfelt speech, she highlighted the school's remarkable 12-year journey of excellence, growth, and unwavering commitment to nurturing young minds.

Captivating dances and engaging storyline beautifully depicted the importance of books in our lives, highlighting their role as gateways to imagination, knowledge, and endless possibilities.

KABIR - Tathya Bina Na Satya, the Annual Day celebration of the middle and senior students featured a collection of performances, including an intricate musical orchestra, choir and a compelling Kabir-themed theatrical production. The production creatively integrated dance and drama to convey Kabir's enduring philosophies of truth, introspection and social egalitarianism, providing the audience with a profound and reflective experience. The production not only entertained but also imparted essential lessons about empathy and integrity, exploring the contemporary relevance of Kabir's teachings.

Stemplify

TECH ARENA

the technology corridor

ICT360

The STEMplify program is igniting curiosity and innovation, empowering students to explore the world of SCIENCE, TECHNOLOGY, ENGINEERING, AND MATHEMATICS (STEM) through hands-on learning and competitions. With engaging block periods and exciting challenges like F1 for Schools, Drone Wars, and 3D Car Designing, young minds are shaping the future!

The ICT curriculum now features an interactive program dashboard, accessible anytime, anywhere, for students, parents, and teachers. It offers flexible project assignments, study modules, and a content library. Students' best projects are showcased on the Wall of Fame, while teachers can assign quizzes, review submissions, and track progress. New e-books and regular updates from the ICT 360 team ensure a seamless learning experience, fostering students' technical skills.

AMIRA, an AI-enabled reading practice for students, focuses on improving pronunciation, through an error detection technology. This allows the software to listen to a child's utterance and determine whether the word is pronounced correctly. The program is highly beneficial for students, as it adjusts the level of stories based on their progress and automatically records real-time observations. It also provides age and level appropriate stories to enhance further reading practice.

MAKERSPACE nurtures innovation through hands-on learning, where students transform ideas into reality. Working in teams, they develop problem-solving and communication skills while tackling exciting projects. With a progressive curriculum, each challenge builds on the previous one, fostering confidence, creativity, and a passion for making and exploring!

Alumni Impact

Alumni Reconnect 2024 was an engaging and heartwarming event that brought together past and present members of our school community. Organized to celebrate the legacy of the STUDENT LED CLUBS initiated by the Batch of 2021, the event highlighted the growth and evolution of these student-led clubs over the years..

With a deep sense of pride, the ALUMNI enthusiastically engaged in a series of dynamic presentations by the students of the clubs they had founded, showcasing their achievements and activities since their inception, updating about ongoing projects, new initiatives, and innovative contributions that have further enhanced the club's impact. It was a proud moment for the alumni to see how their vision had blossomed under the guidance of the next generation of students. The alumni had the opportunity to meet the Founder Principal and shared their inspiring life journeys, including their academic pursuits, career milestones, and personal growth. Their stories served as a source of motivation for the current students, strengthening the bonds between alumni and the school.

Testimonials

My 6 years at GD Goenka hold a special place in my heart. The school nurtured not just my academic aspirations but also my passions with activities like MDAT, COEP and other clubs, along with sports. The constant support and encouragement from my principal and dear teachers, helped shape the person I am today, and I'll always cherish my time at GD Goenka.

Simar Ahuja
Batch 2021

"I am grateful to have come out of an environment that fosters innovation and out-of-the-box thinking"

Saksham Kamboj
2024 batch

The school provides a nurturing environment that fosters holistic development through interactive teaching, vibrant clubs, and opportunities for personal and academic growth. It's a place where students are empowered to explore their potential and excel.

Anya Krishan Arora
Batch 2024

From engaging teaching-learning experiences to active participation in school clubs and 'I Discover Me' career sessions and career development programs, every aspect has contributed to shaping me into a well-rounded individual. All thanks to GDGPS!!

Arya Agrawal
2021 Batch

I deeply appreciate the unwavering support and encouragement from the teachers, who were not just educators but true mentors, always pushing us to be our best. GD provided a nurturing environment that inspired confidence, curiosity, and character, and I'm truly grateful to be a part of a school that has been a cornerstone in my growth and success.

Ashmit Bansal
Batch 2021

Being a part of the Goenkan family from the very beginning has been a transformative journey that shaped me into a well-rounded individual. The school nurtured my academic curiosity, inspiring my pursuit of data science and research, while also fostering my passion for music. The unwavering support and holistic opportunities provided by the school have equipped me to embrace challenges with confidence and enthusiasm.

Arnav Deugan
2024 Batch

Being part of the school's clubs and career-oriented initiatives has been transformative, offering opportunities to build leadership and life skills in an encouraging environment

Krish Dewan
2024 Batch

The Idm sessions really helped navigate my career after school 12th. The clubs really help bring out my talent for music and acting. The holistic approach towards studies has resulted in me excelling in college.

Vidushi Chaturvedi
2024 Batch

Blessing Ceremony

At GDGPS, the Blessings Ceremony marked a poignant moment for our Grade X and XII students as they prepared for their board examinations. Class XII participated in a sacred Havan, invoking purity and divine blessings, while Class X students sought Lord Ganesha's grace and the heartfelt wishes of our Principal and Headmistresses. With faith, strength, and determination, they step forward, embraced by our unwavering support.

Go Sharpener

Go Sharpener conducted a transformative and engaging workshop aligned with SDG 15 (Life on Land). The workshop, facilitated by Mr. Inder Sandhu, Founder of Peedu's People, focused on nurturing responsible global citizens by raising awareness about animal protection and wildlife rights.

Plantation Drive

The Plantation Drive for the young Goenkans, embodying the school's philosophy of nurturing responsible global citizens, fostered emotional connections to nature, aligning with SDG 15 (Life on Land), promoting environmental stewardship and sustainability.

Session for Support Staff

Our school organises self-care and hygiene session for its support staff, reflecting the school's philosophy of inclusivity and respect. This initiative aligns with SDG 3 (Good Health and Well-being) and SDG 4 (Quality Education) by fostering essential life

skills and promoting holistic development.

Ngo Donation Drive

The Goenkans celebrated Christmas with students from Shiksha Education in a heartwarming event filled with joy and togetherness. It was a perfect blend of festive cheer and meaningful connections, embodying its vision of community engagement and the spirit of giving. This event, aligned with SDG 4 (Quality Education), fostered joy, collaboration, and meaningful connections among participants.

Parents as partners

Parents are our valued partners in every child's learning journey. Your unwavering support, encouragement, and involvement create a nurturing environment where young minds flourish. From guiding special sessions in their areas of expertise to inspiring young learners, parents actively shape an enriching educational experience.

The school hosted a vibrant "Fitness with Fun"-Sports Presentation , celebrating the energy and enthusiasm of our little champions from Nursery to Class 2. The event was a perfect blend of fitness and fun. The young participants displayed remarkable coordination, agility, and teamwork, making the day a truly memorable one. A special highlight of the event was the enthusiastic participation of parents, who joined in to cheer for their children and experience their fitness journey firsthand.

Foundational Year students of grades I & II gave an inspiring "FOOD FOR THOUGHT" presentation, showcasing their exceptional research work. The event highlighted the school's commitment to PROJECT-BASED LEARNING, with Class I focusing on balanced diets and nutrition, and Class II addressing the issue of food wastage. Their research and creative displays, coupled with captivating integrated performances in music, dance, art, and theatre, underscored the importance of critical thinking and real-world problem-solving. The event was a testament to the success of collaborative learning.

Foundational Year students of Nursery-KG presented "MELODIES & MOMENTS." Celebrating the power of rhymes in early childhood development, the event showcased the linguistic talents of young Goenkans. Parent-Child bonding activities were held in the school's performing and visual arts studios, deepening connections between families. Headmistress Ms. Harmeet Kaur actively engaged with participants, creating a warm atmosphere.

The Standardisation Summit 2024

Standardization in teaching provides a clear framework for educators, fostering collaboration and alignment in curriculum delivery, which is essential for reaching the highest standards of academic achievement. In this regard, a two-day "Standardisation Summit" was organised for teachers of Grade I to XII. The summit helped in creating a unified framework to support coherent, consistent, and effective teaching practices. Also, to keep teachers in sync with the latest advancements in the field of education and technology.

A Joyful Haven for Educators

"All work and no play makes Jack a dull boy!" Echoing this thought, GDGPS Sec 48 nurtures a creatively happy workspace where professional growth meets personal well-being. Beyond skill-building workshops, the school hosted CONNECT, a heartfelt celebration where staff and their families come together expressing gratitude while bonding over fun and cultural exchanges. To foster well-being, the ESTP Retreat promoted mindfulness through yoga, meditation, and invigorating sports. These experiences strengthened bonds, de-stressed, and instilled gratitude, making the school not just a workplace but a thriving, joyful community.
