

JULY-SEP 2026

SPOTLIGHT # GOENKAN 48

TIMES SCHOOL SURVEY 2026

#1

*Ranked #1 among leader schools of
Gurugram for the second consecutive year*

GD Goenka Public School
Sector 48 | Gurugram

Thrive. For Life.

No. 1 Among Leader Schools in Gurugram — For the Second Consecutive Year

GD Goenka Public School, Sector 48, Gurugram, has once again secured the No. 1 position among Leader Schools in Gurugram in the Times School Survey 2026. This remarkable distinction, achieved for the second consecutive year, reaffirms the school's commitment to educational excellence, progressive learning and the holistic development of every child. It is a proud recognition of the collective endeavour of our educators, the trust of our parent community and the promise of our young learners. We celebrate this honour with gratitude and renewed purpose.

BRITISH COUNCIL AWARD

GD Goenka Public School, Sector 48, Gurugram has been honoured with the prestigious British Council Recognition of International Dimensions in Schools (RIDS) Award 2026–2029. Continuing a proud legacy of international engagement, this marks the School's third consecutive recognition, following the ISA Award (2018–2021) and IDS Award (2022–2025). In 2025–26, students undertook seven curriculum-embedded international projects involving research, collaboration and exchange with schools across three countries. Significantly, the School achieved a perfect score across all seven projects, earning high commendation from the British Council RIDS assessment team.

Mooladhar Investing in the Fundamentals of Life

LEARN. PLAN. GROW.

GD Goenka Public School, Sector 48, Gurugram, hosted an insightful session, “Mooladhar – Investing in the Fundamentals of Life,” on July 31, 2026. The engaging session brought together perspectives on financial planning, health, mindful living and informed decision-making. Ms Anuradha Handa, Founder Principal, Mr Govind Jhawar, Investment Advisor – SEBI Approved, and Dr Alok Chandra Johari, Critical Care Specialist, shared powerful insights on financial prudence, holistic health, mindful living and informed decision-making. The session inspired the audience to invest wisely in the fundamentals that shape a purposeful, secure and fulfilling life. The session resonated with the school’s commitment to nurturing holistic well-being and empowering the community to make thoughtful, informed choices.

*Financial literacy today, financial
security tomorrow.*

FOUNDATIONAL YEARS

Annual Day Celebration

“Bharat – My Country, My Pride” | 15 August 2026

GD Goenka Public School, Sector 48, Gurugram, celebrated its Foundational Years Annual Day on 15 August 2026 with the patriotic presentation “Bharat – My Country, My Pride.” The celebration was graced by Chairman Mr. T. R. Garg, Sachdev Sir, and Principal Mrs. Anuradha Handa. Students from Pre-Nursery to Class 2 showcased vibrant folk, classical and patriotic performances, including the soulful choir “Abhivandan.” A beautiful art exhibition celebrated India’s rich heritage and the creativity of young learners. Principal Mrs. Anuradha Handa shared the school’s vision, journey and achievements, inspiring everyone to uphold the values of excellence and nation-building. The celebration concluded with a powerful finale and a heartfelt Vote of Thanks by Mrs. Harmeet Kaur, Headmistress, Foundational Years.

AQUATIC CAMP

The Annual Aquatic Camp – Glorious Greece began with the ceremonial lighting of the Olympic Torch by Principal Ms. Anuradha Handa. Students enjoyed exciting aquatic and sports activities, celebrating teamwork, fitness, experiential learning and togetherness in a vibrant Greek-themed atmosphere filled with fun and joy.

MANGO DAY

The Foundational Year students from Nursery to Class II celebrated Mango Day with great enthusiasm. They enjoyed juicy mangoes and confidently shared interesting facts about different mango varieties, their health benefits, and delicious mango-based treats. The celebration promoted healthy eating, communication skills, experiential learning, and joyful participation.

World Emoji Day Celebration

The Foundational Year students celebrated World Emoji Day on 09 July 2026 with great excitement. They learned about different emojis and the emotions they represent through fun-filled activities and discussions. The highlight of the day was creating their own emojis, encouraging creativity, self-expression, and emotional awareness in a joyful learning environment.

VASP – VALUE ADDED BY SCHOOL PARENTS

The school's Parent Volunteer Programme (VASP) witnessed enthusiastic participation from nearly 60 parents during the Aquatic Camp in July, themed Glorious Greece, and the Annual Day, भारत – My Country, My Pride, in August. Parents enriched learning through stories and experiences about Greek Gods, guided Nursery to Class 2 learners in preparing a Greek Salad, and contributed to props, decorations and displays. They also conducted engaging sessions on Green India, Clean India, Our Brave Soldiers, National Symbols, Good Citizenship, Freedom Heroes, and The Story of Our Tiranga. VASP celebrates parents as equal partners in building the future of our children. Their time, creativity and knowledge made learning joyful, meaningful and experiential.

CELEBRATIONS

JANMASHTAMI CELEBRATION

The Activity Studio at GDGPS Sector 48 was filled with festive cheer as students celebrated Janmashtami with joy and devotion. The little Goenkans of Nursery A presented a soulful Janmashtami Assembly featuring the bhajan "Achyutam Keshavam," a beautiful skit depicting Krishna's birth and a lively dance performance. The children also lovingly swayed Lord Krishna's beautifully adorned jhoola and enjoyed an engaging storytelling session about his playful childhood. Principal Mrs. Anuradha Handa and Headmistress Mrs. Harmeet Kaur joined the celebration, making the occasion even more special. The celebration concluded with prashad, leaving everyone with smiles and the sweet spirit of blessings, love and togetherness.

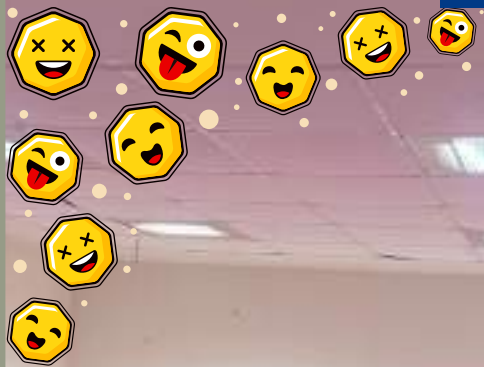

GANESH CHATURTHI

The spirit of devotion and celebration filled the Foundational Years as young learners joyfully celebrated Ganesh Chaturthi on September 14, 2026. Learners listened to interesting stories about Lord Ganesha, participated enthusiastically in role-play activities and created beautiful Ganesha figures using clay. These engaging experiences fostered creativity, imagination, self-expression, fine-motor skills and appreciation of Indian traditions.

ASSEMBLIES

WORLD EMOJI DAY

Class 2E conducted a vibrant special assembly celebrating World Emoji Day. Students highlighted the origin and significance of emojis and how they make communication expressive and engaging. The assembly featured a cheerful emoji jingle, melodious group song and energetic dance performance. Headmistress Ms. Harmeet Kaur appreciated the students' confidence, creativity, and teamwork, while encouraging them to communicate with kindness, empathy and positivity.

PUNCTUALITY ASSEMBLY

The Little Goenkans of Nursery C presented a lively assembly on Punctuality, highlighting the importance of being on time. Through a song, affirmations, and rhythmic verses, they joyfully shared how punctuality helps us stay organised, prepared and ready to learn.

HEALTHY HABITS ASSEMBLY

The Little Learners of Nursery B presented a cheerful assembly on "Healthy Habits", encouraging children to embrace cleanliness, nutritious food, regular exercise, hydration and adequate sleep. Through rhymes and confident presentations, the young learners highlighted how simple daily routines build healthy, responsible, confident and independent individuals.

FITNESS WITH FUN ASSEMBLY

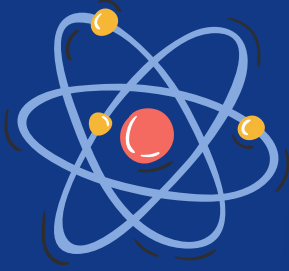

Nursery D presented an energetic assembly on “Fitness with Fun,” showcasing exercise, sports, yoga, Taekwondo and healthy habits. Headmistress Ms. Harmeet Kaur encouraged learners to stay active and make fitness a part of their daily routine, highlighting its benefits in building strength, confidence, discipline, focus and overall well-being.

GRANDPARENTS’ DAY

Grandparents’ Day was celebrated on September 11, 2026, with joy and enthusiasm. Learners sang rhymes and songs, performed role play and created beautiful cards and crafts. The activities helped children express their love, gratitude and appreciation for their cherished grandparents.

SCIENCE IN EARLY YEARS – EXPLORE, DISCOVER & LEARN

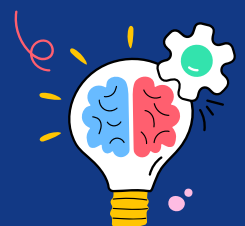

The Foundational Years explored science through “Explore, Discover & Learn” from September 7–10, 2026. Students from Nursery to Class II enjoyed hands-on experiments including Magic Ink, Air Pressure, and Turmeric and Detergent, developing curiosity, observation and scientific thinking through joyful learning.

LEARNING BEYOND THE CLASSROOM: EXTENDED HOURS

The Foundational Years Extended Hours Programme for Nursery, LKG and UKG transforms learning into joyful, hands-on experiences. Through games, experiments, storytelling, creative activities and collaborative tasks, children strengthen communication, problem-solving, independence, teamwork and decision-making while developing confidence and essential life skills.

SCHOLASTIC BOOK FAIR – FOUNDATIONAL YEAR

To nurture a love for reading and encourage children to explore the wonderful world of books, GDGPS Sec-48, organised a Book Fair for the Foundational Year students from September 24–26, 2026.

Young readers enthusiastically explored a wide range of books. The fair encouraged reading, sparked imagination, and fostered lifelong reading habits, making it a joyful and enriching experience for all.

PTM : Growing Together: Celebrating Learning and Partnership

To strengthen the partnership between school and parents, GDGPS Sec-48 organised a Parent Teacher Meeting for the Foundational Year on September 26, 2026. Teachers discussed learners' Term I progress and Holistic Progress Cards, while Nursery and LKG children showcased their learning through engaging presentations. Language Enrichment activities in the Activity Studios and specially designed sensory experiences in the Sensorial Room added to the day. A Book Fair was, organised in collaboration with Scholastic India, further enriched the experience, encouraging children and parents to explore books and nurture a joyful love for reading and learning.

PREPARATORY YEARS

THE FUNDAMENTALS OF LIFE

Class IV E presented a morning assembly on "Fundamentals of Life," featuring life values, a news segment, and engaging activities like "Kaun Banega Goenkan Superstar" and "Shark Tank GD Goenka." Students showcased their talents through a role-play on self-belief and a dynamic dance performance. Headmistress Ms. Shalini Tandon delivered a motivating address encouraging positivity and healthy living. The inspiring event successfully highlighted essential life lessons and student capabilities.

RESPONSIBILITY OWNING OUR OWN ACTIONS

Grade IV B presented an assembly on "Responsibility – Owning Our Own Actions" to foster accountability. The programme featured a prayer, a Thought of the Day, and an interactive activity contrasting excuses with responsibility. A video presentation and patriotic dance highlighted that true character involves owning actions. Headmistress Ms. Shalini Tandon applauded the students, motivating them to practice daily responsibility and emphasizing that our responses to mistakes shape our character.

Honesty: The Courage to Tell the Truth

Class III-D presented an assembly on "Honesty – The Courage to Tell the Truth." The event included a bilingual Thought of the Day, news updates, and an acronym explaining core values. A skit featuring Fear and Honesty demonstrated how choosing truth over excuses earns respect, complemented by an interactive quiz. A heartfelt poem, a pledge, and encouraging words from Headmistress Ms. Shalini Tondon concluded the inspiring and meaningful presentation.

CARING FOR NATURE: OUR PLANET

Class III-B hosted an assembly on "Caring for Nature – Our Planet, Our Responsibility." The event featured a prayer, news updates, and a Nukkad Natak addressing deforestation and plastic pollution. Students encouraged sustainable habits through creative character portrayals and an interactive eco-friendly practices segment. A vibrant dance, inspiring words from Headmistress Ms. Shalini Tandon, and the School Anthem concluded this powerful call to action for a greener future.

CURIOSITY: THE JOY OF LEARNING

Grade IV A presented an assembly on “Curiosity – The Joy of Learning.” The programme featured a prayer, poetry recitation, bilingual Thought of the Day, and news updates. Highlights included the interactive ‘Mystery Box Challenge’ to test critical thinking and a presentation on how inventions stem from simple questions. The event concluded with a vote of thanks and the school anthem, inspiring everyone that every question sparks learning.

Compassion – The Strength of a Kind Heart

Class VC presented an insightful assembly themed “Compassion: The Strength of a Kind Heart.” The programme featured a prayer, bilingual messages, and comprehensive news updates. Students showcased heartwarming presentations, yoga demonstrations, and messages illustrating acts of kindness toward people, animals, and nature. The event concluded with an inspiring address from the Principal, urging everyone to practice daily kindness and empathy in their lives.

The LEGO Rule Building a Stronger India, One Value at a Time

Class V-E celebrated India's 79th Independence Day with an assembly themed "The LEGO Rule – Building a Stronger India, One Value at a Time." Featuring prayers, patriotic songs, and a news bulletin, the highlight was a skit portraying historical figures like Mahatma Gandhi and Rani Lakshmbai. Students demonstrated how core values build a strong nation. A patriotic dance, flag tribute, unity pledge, and appreciation from Headmistress Ms. Shalini Tandon concluded the event.

Problem Solvers Shape the World

Class VD presented an assembly themed "Problem Solvers Shape the World." The programme included a prayer, bilingual messages, an interactive quiz, and news updates. Students performed an engaging 'Solution Squad' skit illustrating how honesty, teamwork, and creativity resolve daily challenges. The poem 'Be the Solution' and the 3Cs of Problem Solving highlighted core concepts. A vibrant dance and an inspiring closing message from Headmistress Shalini Tandon concluded the event.

CLUB ACTIVITIES

School club activities help students explore interests and build creativity, teamwork, and confidence. The "On an Adventure Trip" club teaches adventure sports, hotspots, and safety precautions. Meanwhile, the "Unity in Diversity" club uses Warli painting to instill pride in India's cultural heritage. These sessions foster respect for varied traditions, teach collaboration, and encourage responsibility, making learning enjoyable while helping students discover unique talents.

HOUSE COMPETITIONS

Inter-house and intra-house competitions for Classes III to V fostered student development, leadership, and teamwork. Cycle 2 selection and practice rounds took place for EVS, Sanskrit, Yoga, and Music, alongside Cycle 1 finals for English, Math, Art, and Sports. Simultaneously, non-participating students engaged in mangrove conservation awareness and map-reading activities. Ultimately, these events encourage discipline, creativity, and the ability to gracefully appreciate both success and failure.

Learning
IS
FUN!

OPEN LEARNING DAY

Learning flourishes when curiosity takes centre stage. Open Learning Day, organised for the Middle Wing on 11 September 2026, transformed the post-examination phase into a vibrant tapestry of experiential learning. Students explored banking, self-defence, sustainability, BRICS, communication, creativity and teamwork through thoughtfully curated activities. Go Sharpener initiatives deepened their understanding of environmental responsibility and sustainable practices. From Cine-Education and JAM to Funathlon and Movement Meets Melody, every experience fostered discovery beyond textbooks, culminating in renewed enthusiasm, practical skills and enriched perspectives.

MIDDLE WING

AUTHOR'S MEET STORIES THAT SHAPE US

On 15th July 2026, GD Goenka Public School, Sector 48, welcomed Ms. Devyani Kapoor, eminent educator, author, life coach and Founder & CEO of EduDevs, for an invigorating interaction with students. Drawing upon over 35 years of experience, she sparked young minds to embrace individuality, turn adversity into opportunity and pursue aspirations with unwavering conviction. Her profound philosophy—"To be a person is to have a story to tell"—resonated deeply, reminding students that every journey holds purpose. The engaging exchange left them inspired to write their own stories with courage, resilience, compassion and purpose.

LEADING BY GUIDING: JUNIOR BUDDY PROGRAMME

Leadership begins when experience becomes guidance. Through the Junior Buddy Programme, students of Class VIII stepped into the role of mentors, supporting their assigned junior buddies with responsibility and care. From guiding them in systematic notebook upkeep to sharing effective strategies for Term-I examination revision, the young mentors fostered confidence and preparedness. The initiative nurtured peer learning, responsibility and empathy, empowering senior students to lead while helping younger learners grow.

CELEBRATING EXCELLENCE, CONSISTENCY & GROWTH

Achievement deserves applause; perseverance deserves recognition. The Scholastic Awards Ceremony celebrated students whose dedication and determination translated into remarkable accomplishments. Roll of Honour Certificates recognised outstanding academic performance, while 100% Attendance Awards applauded exemplary commitment and consistency. Students demonstrating significant progress from Term I to Term II were also felicitated, reinforcing the belief that growth is an achievement in itself. Principal Ms. Anuradha Handa, Headmistresses, and faculty honoured the achievers, emphasizing that true learning extends beyond classrooms. The ceremony embodied the school's vision of honouring excellence, encouraging perseverance and inspiring every learner to continually strive for their personal best.

TURNING PAGES, IGNITING POSSIBILITIES: SCHOLASTIC BOOK FAIR

Where books beckon, imagination takes flight! The Scholastic Book Fair transformed the campus into a vibrant literary haven, inviting students on 29–30 July to browse, discover and celebrate the joy of reading. Extending the experience to families on PTM Day, 1 August, the fair brought parents and children together through the magic of stories. The initiative reinforced the school's vision of nurturing curious minds, lifelong readers and imaginative thinkers.

BOOK FAIR

THE MIND IS YOUR GREATEST MUSCLE

With the powerful belief that a trained mind can transform challenges into opportunities, Class VIIF presented an inspiring morning assembly on “The Mind Is Your Greatest Muscle.” Multilingual thoughts in English, Hindi, French and a special Goenkan News Network (GNN) segment highlighted Artificial Intelligence, the Metaverse, climate action, and India’s growing economy, along with important school achievements and initiatives. A dynamic role play celebrated resilience, teamwork and learning from mistakes, complemented by music and an engaging quiz. The assembly culminated in a compelling message: nurture the mind with knowledge, discipline, positivity and kindness—and empower it to shape the future.

FROM VISION TO VICTORY

On 14th August 2026, class VIII-E presented a stirring assembly on “From Vision to Victory,” celebrating the transformative power of aspiration, discipline and perseverance. Multilingual reflections, a dynamic News Flash and an inspiring podcast spotlighting young achievers illustrated how resilience turns ambition into accomplishment. Connecting the school’s remarkable journey with India’s progress from Independence 1947 to Viksit Bharat 2047, a vibrant patriotic dance infused the celebration with national pride. The assembly reinforced a powerful truth—every victory begins with a vision and is realised through action.

RESILIENCE: TURNING SETBACKS INTO COMEBACKS

On 13 August 2026, Class VII-C presented an inspiring assembly celebrating resilience—the courage to rise, rebuild and persevere. A graceful Ganesh Vandana, multilingual reflections and a evocative self-composed poem set the tone. Powerful stories of Dr A.P.J. Abdul Kalam, Neeraj Chopra and J.K. Rowling transformed setbacks into lessons of triumph. A stirring patriotic choir performance amplified the spirit of courage, leaving a resonant message: setbacks are not endings, but stepping stones to success.

Learning Patience in a Fast-Paced World

Class VI-C presented a thought-provoking assembly on “Learning Patience in a Fast-Paced World” on 30 July 2026. Through a compelling blend of meaningful messages, mindful practices and engaging presentations, students highlighted the importance of pausing, reflecting and embracing the present moment. The assembly beautifully conveyed that patience is not passive waiting, but the strength to remain calm, resilient and purposeful amid life’s constant rush. It left the audience inspired to slow down, breathe and grow.

RISE WITH GRACE, GROW WITHOUT LOSING KINDNESS

Class VIII-D presented an insightful assembly on 17 July 2026, centred on the powerful idea that true success is measured not merely by achievement, but by the grace, empathy and kindness we extend to others. Multilingual thoughts, news updates and a compelling skit explored the impact of words and the transformative power of encouragement and forgiveness. A heartfelt public service video and melodious musical presentation deepened the message. The assembly concluded with an enduring reminder: success may earn admiration, but kindness creates a legacy that lives in hearts.

TALENT IN ACTION: INTER-HOUSE COMPETITIONS

The Inter-House Competitions for Classes VI–VIII transformed the school arena into a vibrant showcase of talent, teamwork and tenacity. From French Fashion Show and Character Portrayal, Sanskrit Geet Gayan and Music Fusion to Swimming, Cricket and SSC Geo Bee, students excelled across diverse domains. Designed to ensure maximum participation, these competitions provided an inclusive platform for every learner to explore strengths, embrace challenges and experience the exhilarating spirit of healthy competition.

Stemplify:

Igniting Curiosity and Innovation

Stemplify has transformed STEM learning into an engaging, hands-on experience, enabling students to explore aerodynamics, physics, engineering, car design and programming through experimentation and real-world challenges. The programme nurtures critical thinking, creativity, collaboration, communication, problem-solving and resilience, empowering students to turn concepts into practical solutions.

The learning translated into remarkable achievements. Grade 5 Team FII won the 🏆 Best Engineered Car Award at the Regional Finals. In Grade 7, Team Astra Racers earned the 🏆 Resilience Award, while Team Star Technologies received the 🏆 Chair of Judges Award and advanced to the National Round at Sharda University, securing an impressive 23rd position among 91 teams nationwide.

LogIQids:

Thinking Deeper, Solving Smarter

The LogIQids Logical Reasoning and Computational Thinking Programme is an ongoing initiative that continues to engage students through ThinkSheets, structured practice and reasoning-based activities. The upcoming assessments will give learners an opportunity to apply their skills, test their understanding and build greater confidence.

The programme nurtures critical thinking and 21st-century skills by encouraging students to observe patterns, analyse information, evaluate possibilities, make logical connections and arrive at reasoned solutions. It strengthens focus, decision-making, computational thinking and independent problem-solving — skills that are essential for academic growth as well as real-life challenges.

The initiative supports the school's vision of shaping expressive, analytical and future-ready Goenkans — young learners who can imagine freely, think critically and grow with purpose.

PARTNERS IN PROGRESS: PARENT-TEACHER MEETING

WHEN PARENTS AND EDUCATORS MOVE TOGETHER, EVERY CHILD MOVES FORWARD

Building Readiness

Ahead of the Term-I Examinations, parents and teachers discussed students' progress, engagement and areas needing attention — offering timely guidance for exam preparedness.

Reflecting, Refining, Progressing

After the exams, parents received their wards' answer sheets as teachers shared performance insights, highlighted growth areas and acknowledged progress — reinforcing a shared commitment to continuous learning

BriBooks:

Young Voices, Published Stories

The BriBooks Summer Camp gave students an exciting opportunity to step into the world of storytelling and publishing. Young Goenkans transformed their ideas into books and experienced the pride of becoming published authors.

The response was remarkable, with 75 students successfully publishing their books — 7 from Class III, 14 from Class IV, 19 from Class V, 19 from Class VI, 7 from Class VII and 9 from Class VIII. Each book reflected creativity, originality and the courage to share one's voice with the world. Each book was more than a collection of pages; it was a reflection of a child's imagination, individuality, effort and creative courage. Through this initiative, students strengthened their language skills, enhanced their written expression and experienced the pride of seeing their ideas take shape as published works.

BriBooks beautifully reinforced the belief that every child has a story worth telling and a voice worth celebrating.

GO SHARPENER: From Learning to Living It!

At the Middle Wing, learning finds its true purpose when knowledge inspires action. Through Go Sharpener, students engage with real-world themes that nurture curiosity, conscious choices, environmental stewardship and healthy living. September unfolded as a vibrant month of experiential learning, with every class exploring a distinct idea and transforming it into purposeful action.

SEPTEMBER | A MONTH OF IDEAS IN ACTION

CLASSES III–V

RETHINK • RECYCLE • RESTORE

E-Waste Awareness

Young environmental champions turned creativity into advocacy by designing impactful posters on e-waste recycling, discovering how responsible disposal can help protect our planet.

CLASS VI

EXPERIMENT • OBSERVE • DISCOVER

Solubility of Liquids

Science came alive as students explored solubility through observation and experimentation, strengthening their spirit of inquiry and connecting scientific concepts with everyday life.

CLASS VII

EAT SMART • STAY HYDRATED • GROW GREEN
15-Gram Protein Breakfast • Hydration Heroes •
Micro-Nutrient Manure

From decoding a protein-rich breakfast and championing hydration to exploring nutrient-rich manure, students discovered how informed everyday choices can nurture both personal and planetary well-being.

CLASS VIII

SOW • NURTURE • FLOURISH

Growing Microgreens

Students experienced sustainability first-hand by exploring microgreens—connecting nutrition, cultivation and conscious living through a simple yet meaningful green initiative.

Osmosis: Where Learning Blossoms

"When children are given the freedom to explore, every idea can become a masterpiece."

Osmosis, the Studio Presentation for Grades III and IV, was a vibrant celebration of curiosity, creativity and joyful learning. Through dance, music, theatre and art, young learners transformed ideas into expressive performances, nurturing confidence, communication, collaboration, imagination and independent thinking.

More than a showcase, Osmosis celebrated the process behind learning—the practice, perseverance, experimentation and teamwork that shape young minds. The enthusiastic participation of parents added a special dimension, bringing school and home together in a shared journey of discovery and expression.

Osmosis beautifully reminded us that when children are given the freedom to explore and create, learning blossoms into confidence, connection and limitless possibilities.

Japan Trip 2026 – A Journey of Discovery and Delight

Our Japan expedition, orchestrated by The Young Edsplorers, commenced at Delhi's IGI Airport, where 72 students and seven dedicated teachers embarked on a transformative cultural odyssey. From Tokyo's serene Shinjuku Gyoen and historic Senso-ji Temple to Hakone's Mount Fuji vistas and Osaka's vibrant Dotonbori, every moment brimmed with wonder. Highlights included the Shinkansen ride, Tsukuba Space Center, Universal Studios, and Kyoto's Samurai Museum. Guided by our teachers' unwavering support, we returned enriched—carrying cherished memories, newfound independence, and profound admiration for Japan's harmonious blend of tradition and innovation.

SENIOR WING

Annual Scholastic Award Ceremony

GD Goenka Public School, Sector 48, Gurugram, hosted its Annual Scholastic Award Ceremony with pride and grandeur. The event celebrated academic excellence, perseverance, and focus. Board and Stream Toppers of Classes X and XII were felicitated, along with Roll of Honour scholars from Grades 9 and 11. Principal Ms. Anuradha Handa, Headmistresses, and faculty honoured the achievers, emphasizing that true learning extends beyond classrooms. The ceremony reflected the school's commitment to nurturing responsibility, awareness, and courage, leaving parents and students inspired.

Empowered to Lead: A New Chapter of Student Leadership

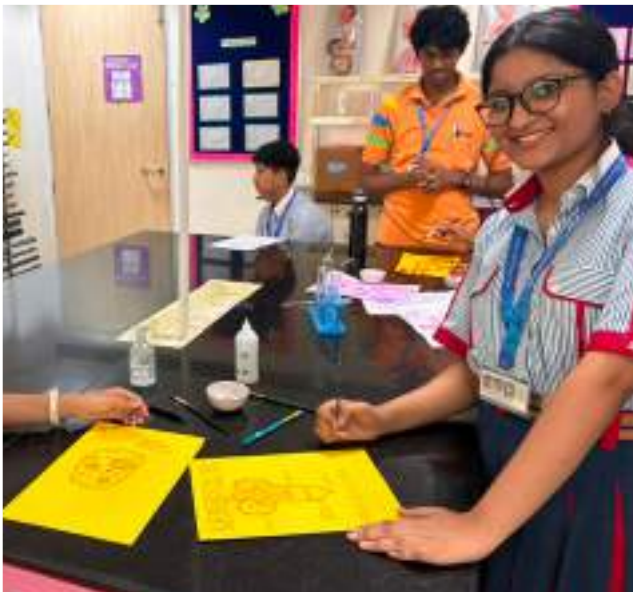

With a renewed spirit of leadership and responsibility, GD Goenka Public School, Gurugram, hosted its Investiture Ceremony on 21 August with great pride and enthusiasm. The ceremony marked the formal induction of the newly appointed Student Council, who received their badges and took the solemn oath of office. The Head Boy and President of the School Council delivered an inspiring speech, sharing his vision for responsible leadership. The Principal's motivational address encouraged the young leaders to lead with integrity, empathy and commitment. The ceremony celebrated the spirit of service and leadership. The newly appointed council members pledged to uphold the values and ethos of the school while serving as role models for their peers. The event concluded with a renewed sense of purpose, inspiring students to embrace leadership as an opportunity to serve, contribute and make a positive difference.

Clubs in Action

Learning Beyond the Classroom

Under the vision of Fundamentals of Life, various school clubs conducted their first interactive sessions on 7 July 2026, providing students with opportunities to explore creativity, innovation, leadership, and practical learning. Activities across the MUN, Makerspace, Video and Photography, Fashion and Technology, Travel and Tourism, and STEM Clubs encouraged critical thinking, communication, collaboration, and problem-solving. Students participated in simulations, scientific discussions, photography tasks, entrepreneurial planning, and idea-sharing sessions. The engaging activities created an inspiring learning environment and marked a promising beginning for the club programme, motivating students to discover their interests beyond the classroom through meaningful experiential learning.

I Discover Me (IDM) Guiding Students Towards Informed Choices

The **I Discover Me (IDM)** programme for Grade X students offered a series of engaging sessions focused on self-awareness, career exploration, and future readiness. Beginning with an orientation session, students explored the programme's objectives and significance. Career guidance sessions encouraged informed subject choices beyond conventional streams. Peer-learning with Grade XII students provided practical insights into senior-school transitions and study strategies. The "**Mind Talk with SK**" session further sensitised students to social media's influence on thoughts, emotions, relationships, and decision-making, fostering mindful and responsible choices.

Psychology Field Visit – Pallavanjali

Class XII Psychology students, accompanied by Ms Medha Syal and Ms Kashish Tanwar, visited Pallavanjali Inclusive School to witness psychology in action. The experience offered profound insights into inclusive education, where neurotypical and neurodivergent learners thrive together through empathy, patience, and respect. Students explored therapy setups, observed life-skills and academic groups, and connected textbook concepts—individual differences, motivation, and behaviour modification—to real-world practice. This immersive visit nurtured reflective thinking, social awareness, and a deeper appreciation for the transformative power of inclusive learning environments.

Experiential Learning at GD Goenka University

Grades XI and XII embarked on an illuminating educational sojourn to GD Goenka University, Sohna, transcending classroom boundaries to immerse themselves in authentic university life. Through dynamic, hands-on workshops spanning Culinary Arts, Design, Management, Law, Engineering, and Liberal Arts, students engaged directly with faculty mentors, exploring real-world applications of their academic passions. This enriching exposure not only demystified higher education but also ignited thoughtful reflection on future career pathways. Guided by expert mentors, the experience proved profoundly inspiring, nurturing aspiration, curiosity, and a deeper appreciation for experiential learning.

Crossroads University Fair 2026

On September 22, 2026, GD Goenka Public School, Sector 48, Gurgaon, hosted its flagship higher education symposium, Crossroads: University Fair 2026. Catering to Grades IX–XII, the event convened 40 prestigious academic institutions to illuminate diverse undergraduate trajectories, admission prerequisites, and scholarship opportunities.

Complementing the institution stalls, renowned career strategist Mr. Anubhav Rakheja delivered targeted master classes. He guided Grade XII pupils on strategic academic roadmaps and transition planning, while advising Grade XI students on profile enhancement through research and passion projects. Ultimately, the fair empowered scholars with clarity, strategic foresight, and heightened career readiness.

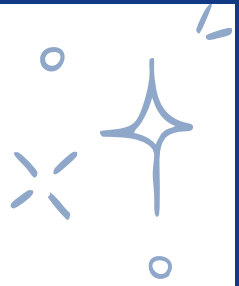

Global Opportunities Unveiled at University Fair

GD Goenka Public School, Sector 48, Gurugram, in collaboration with KIC UnivAssist, organised a University Fair for students of Grades XI and XII. The event provided students with valuable exposure to leading international universities from the USA, Hong Kong and Belgium. Representatives from renowned institutions interacted with students, introducing them to diverse undergraduate programmes across Engineering, Business, Computer Science, Psychology, Design, Law, Aviation, Medicine, and other disciplines. Students also gained insights into admission requirements, scholarships, internships, accommodation, campus life, and career opportunities. The fair encouraged meaningful discussions, enabling students to compare options and make informed decisions about their future academic pathways.

House Competitions

Celebrating Talent,
Teamwork and Triumph

The GD Goenka campus witnessed enthusiastic participation in the Cycle 2 Inter-House Competitions for Classes IX–XII. Students showcased their knowledge, creativity, innovation, language skills and quick thinking through the AI Innovation Challenge, Goenkan Crucible and English Cryptic Crossword. The events fostered collaboration, confidence, analytical thinking and healthy competition. Tagore House emerged as the winner in AI Innovation Challenge, Teresa House topped Goenkan Crucible, while Radhakrishnan House secured first position in Cryptic Crossword, highlighting students' diverse talents and competitive spirit.

“Igniting Minds, Inspiring Excellence Inter-House Competition 2026”

GD Goenka Public School, Gurugram, hosted an exciting Inter-House Competition for Classes IX–XII on 12 August 2026, featuring a dynamic blend of knowledge, creativity, technology, and language skills. The Goenkan Crucible tested awareness and quick thinking through engaging quiz rounds, while the AI Innovation Challenge encouraged students to develop innovative solutions to real-world problems. The English Cryptic Crossword challenged vocabulary, reasoning, and time management. Conducted with enthusiastic participation, the competitions fostered confidence, collaboration, leadership, and healthy competition among students.

ASSEMBLIES

The Power Within: Discipline and Positivity

The school assembly served as a powerful platform to inspire students with the values of discipline, positivity, and perseverance. Class IX-B conducted the assembly on the theme “Self-Discipline – The Way to Direct Your Life,” highlighting the importance of responsible habits through a skit, speech, news, and inspiring messages. Class XII-C later presented an assembly on “Positive Mind – Seed to Success,” featuring a theatre performance and dance that emphasized optimism, resilience, self-belief, hard work and perseverance in achieving success.

Digital Mindfulness In a Tech-Driven World

The assembly on “Digital Mindfulness – In a Tech-Driven World” was thoughtfully planned to promote awareness about responsible technology use. Students brainstormed the effects of excessive screen time, social media, notifications, and digital distractions on concentration and relationships. The presentation creatively combined news, theatre, and dance to convey the importance of balancing digital and real-life experiences. Through scripting, rehearsals, and teamwork, students refined their performances and communication skills. The assembly encouraged everyone to use technology mindfully—as a tool, not a controlling force.

Educational Trip to Mumbai

Experiential Learning Excursion
Inspired by student-led clubs, GDGPS
Sector 48, Gurugram organized an
enriching educational excursion to
Mumbai from September 12–14, 2026,
for Classes IX–XI.

The itinerary blended cultural immersion and club-specific exploration. Students visited Jehangir Art Gallery, iconic Film City, UNESCO-listed Elephanta Caves via Gateway of India, and the Nita Mukesh Ambani Cultural Centre. Specialized hands-on workshops—including acting, financial literacy, and culinary sessions—deepened domain knowledge.

Documenting reflections in curated Club Booklets, students cultivated collaboration, autonomy, and real-world perspective.

STAFF ENRICHMENT

GD Goenka Public School, Sector 48, Gurugram, celebrated Teachers' Day at The Pavilion, Karma Lakelands on 5 September. School leadership and teaching staff gathered to unwind, relax, and strengthen their strong bond of camaraderie. Principal Anuradha Handa commended the educators' dedication, inspiring them to guide young minds with resilience, compassion, and a shared commitment to school excellence.

ANTARYATRA THE POWER OF SILENCE

"Antaryatra: The Power of Silence," a wellness workshop for educators, focused on self-awareness and emotional well-being. Through musical icebreakers, team exercises, and Picture Antakshari, the session fostered collaboration and self-expression. It concluded with Shruti Kriya, a guided mindfulness practice promoting inner calm, emotional balance, and personal growth.

Sports Faculty Data Management Meeting

A meeting with Sports Department faculty focused on systematic data management for effective planning and record-keeping. Steps highlighted included collecting, verifying, categorising, securely storing, updating, and retrieving data to ensure accuracy, consistency, confidentiality, and efficiency in handling sports records.

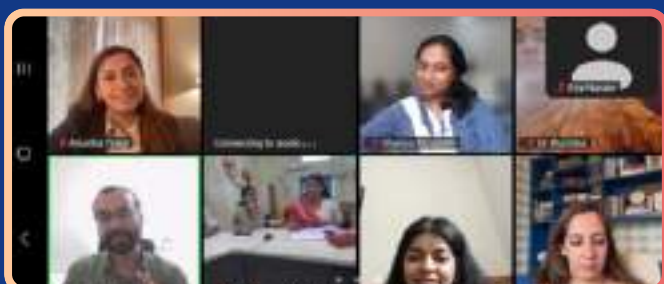

THREE DAY TEACHER TRAINING AT GD GOENKA UNIVERSITY

A three-day Teacher Training Program based on "Create Explore Thrive" was conducted for GD Goenka educators. Aligned with NEP 2020 and NCF 2023, the sessions focused on competency-based pedagogy, assessment frameworks, social-emotional learning, and critical thinking to foster holistic student development.

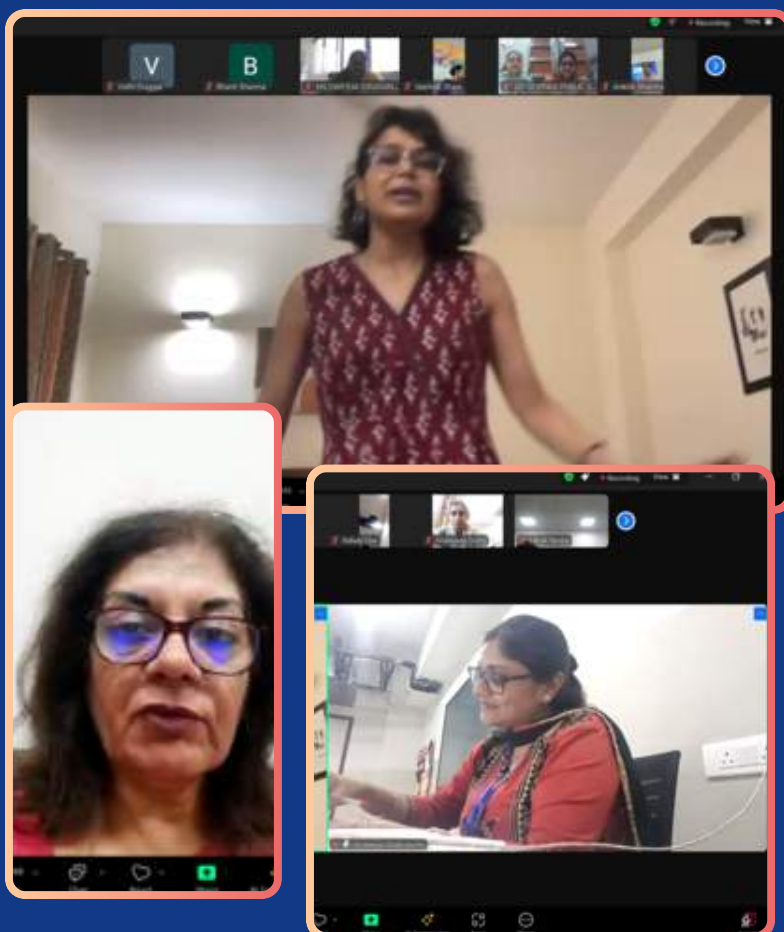

VARTAH 7.0 MENTAL HEALTH AND WELLBEING OF EDUCATORS

Vartah 7.0, hosted by GD Goenka University, focused on "Mental Health & Wellbeing of Educators." Featuring experts like Dr. Samir Parikh, the summit addressed teacher burnout and psychological support, emphasizing that emotionally resilient educators are essential for building supportive school communities.

MOVING MINDS INTERACTING KINESTHETIC ACTIVITIES INTO FOUNDATION CLASSES

The GD Goenka Group organized a workshop, "Moving Minds: Integrating Kinesthetic Activities into Foundation Classes," for early-years teachers. Led by Ms. Sabika Muzaffar, the session highlighted sensory-rich play and purposeful learning corners. Teachers gained practical strategies to foster active, hands-on, and developmentally appropriate learning environments that inspire creativity and movement.

CBSE PSYCHOLOGY CAPACITY BUILDING PROGRAMME

The CBSE Capacity Building Programme in Psychology, hosted at American Montessori Public School, Gurugram, aimed to enhance high school pedagogy. Led by expert resource persons, the two-day workshop emphasized learner-centred, experiential methods—like case studies and role plays—to foster critical thinking, inclusion, real-life connections, and deeper conceptual understanding.

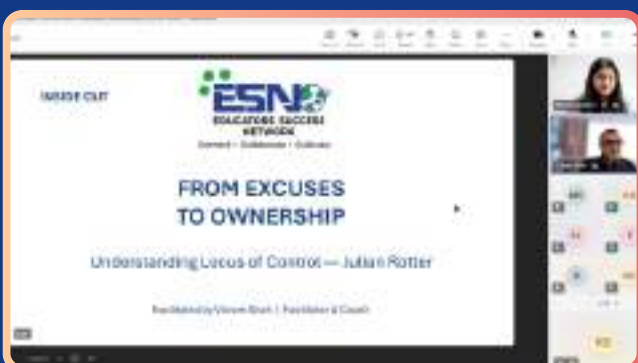

HUMAIN A LITERACY MISSION

The session on the Humain AI Literacy Mission (HAILM), conducted by Mr. Manit Jain, emphasized accessible AI education rooted in a "Human-first, AI-second" approach. Highlighting ethics, digital safety, and project-based learning, the workshop guided educators on fostering practical skills while prioritizing human values and critical thinking.

FROM EXCUSES TO OWNERSHIP

The online professional development session "From Excuses to Ownership," organized by the Educators Success Network, focused on developing a proactive, responsible, and solution-oriented mindset among teachers. The 90-minute workshop encouraged educators to transition from making excuses to accepting accountability for their decisions and challenges. By shifting from "why it cannot be done" to "how to make it happen," teachers learned to build confidence, strengthen teamwork, and drive continuous professional growth.

CBSE CAPACITY BUILDING WORKSHOP ON KAUSHAL VIKAS

A CBSE Capacity Building Workshop on “Kaushal Vikas” for Classes VI–IX, led by Ms. Garima Mangalik and Ms. Rama Gupta, highlighted skill-based, experiential learning. Teachers gained strategies for hands-on activities, real-life applications, Kaushal Mela integration, and nurturing key 21st-century skills.

PROJECT BASED LEARNING FROM KNOWING TO DOING

An online workshop titled "Project-Based Learning: From Knowing to Doing," conducted by Ms. Pratibha Kohli, empowered Grades III–X teachers to transition from traditional to active pedagogy in line with NEP 2020. Utilizing Edgar Dale's Cone of Learning, the session offered practical strategies for inquiry-driven, experiential, and activity-based classrooms.

SUPER SEARCHERS LEARNING AND EXPLORING AI

An online workshop by Mahattattva and Google India explored AI and digital literacy in education. Teachers learned the SIFT method for evaluating online information and practiced using Gemini Notebook to organize resources and create content, emphasizing the responsible, age-appropriate integration of digital tools into teaching.
