An Inter School Competition

G D Goenka Public School, Sector -48, Gurugram

It is on the strength of observation and reflection that one finds a way. So we must dig and delve unceasingly.

Dear Principal / Head of School,

The changes that we have experienced in our lifespan are indeed unprecedented. From the good old days when we would wait anxiously for the postman to deliver a letter; to the present times when at a click of a button we communicate, in real time, across the world; undeniably our life stands transformed!

Yet the kind of transformations that the current times have brought about are beyond what we could have ever imagined. A philosopher once observed *that a flag needs the opposing force of wind to fly*; similarly, we need the winds of challenging situations to tap into our hidden potential and soar higher. Our pupils are buffeted by the force of opposing winds. As educators, we carry the responsibility of ensuring that our pupils are able to use these opposing winds as propellers to achieve great things. Nurtured to become self reliant, they *will* grow into change-adept individuals.

By observing the happenings closely and reflecting on them intensely, we can make the best use of the current times. *Pratibimb* is an effort by GDGPS Sector 48 to provide school students with an opportunity to dig within, pull out their talent and skills, and showcase it. It's a chance to have something fresh to look forward to; a goal to achieve; a victory to savor!

Looking forward to the participation of your esteemed school.

Warm Regards
Anuradha Handa
Principal
